Although some items which are in our yearly catalog are not in stock now, they are in production and will be available at a later date. Inquiries as to approximate date of availability will receive our immediate attention.

## MINIMUM QUANTITIES

Please do not order less than the following quantities of any one variety:

25 in 2¼" pots • 25 in 3" pots

10 in 1-gal. containers • 5 in 5-gal. containers

PLEASE keep in mind that an order to be shipped by express, parcel post, or motor freight must total \$20.00 or more. This minimum also applies to local deliveries.

## QUANTITY DISCOUNTS

1000 Plants 10% • 500 Plants 5%

These discounts apply if the following requirements are met:

1. All plants must be of one variety.
2. All plants must be of one container size.
3. All plants must be shipped at one time.

(All prices quoted in this Catalog are F.O.B. Azusa, California)

## THIS IS YOUR SHIPPING COST GUIDE FOR LINERS (2¼" & 3" Pots)

By checking this guide along with the catalog prices, you can figure approximately how much a liner will cost laid down in your area. These rates are the most that you would have to pay; in some cities the rates are lower than in the state in which the city is located.

For example, the laid down price for *Berberis thun. atropurpurea* to any area in Michigan would be 18c for each 2¼" pot size plant. The laid down price for *Viburnum burkwoodi* to any area in Texas would be 22c for each 2¼" pot size plant and 39c for each 3" pot size plant.

(These rates apply only to stock shipped by public carrier. [Railway express or Motor Freight.] If your orders are being delivered by our truck, please disregard this information.)

## *Do You Know?*

### **ROSA PINK CAMEO** (Pat. #1451)

Here is the first everblooming, miniature, climbing rose. Deep, perfect, rose-pink buds and flowers are borne throughout the year. Long lasting cut flowers. Will climb to a height of 4 or 5 ft. and blooms the first year. For lots of color and something different for planting in a sunny location, use Rosa Pink Cameo — Outstanding.

Minimum temperature endurance minus 10° F.

2¼ pots .80

### **PHELLODENDRON AMURENSE** (Cork Tree)

Medium sized deciduous tree that is highly prized for its ornamental value. Has cork-like bark and deep green pinnate leaves. This "showy" tree is ideal for specimen planting and grows well in all types of soil. Native of China and Japan.

Minimum temperature endurance plus 5° F.

2¼ pots .20

### **PERNETTYA MUCRONATA**

Small evergreen shrub growing to 2 ft., that is especially adapted to rock-gardens. The attractive light green leaves are heavily toothed. In May and June the plants are covered with white or pinkish flowers. Pernettya Mucronata thrives in hot, sunny locations and likes to be kept moist. Ideal for use in modern landscaping, especially on "mound" plantings.

Minimum temperature endurance plus 10° F.

2¼ pots .18

### **LONICERA MAX SACHALINIENSIS** (Honeysuckle)

Very popular ornamental climbing shrub, growing to a height of 10 ft. In May and June this semi deciduous honeysuckle is a mass of color with its dark purple flowers. Grows well in any good soil. Here is a hardy honeysuckle that is ideal for planting in colder areas, a shrub that provides early summer color and has attractive foliage. Native of Manchuria and Korea.

Minimum temperature endurance minus 10° F.

2¼ pots .18

**DELIVERY.** Free delivery in the Los Angeles Metropolitan area, San Diego, Santa Barbara, Bakersfield and Palm Springs. We do not pay transportation charges on shipments not covered by our free delivery service. To more distant points we will use the safest and least expensive method unless specific instructions are given.

**NON-WARRANTY.** The Monrovia Nursery Company gives no warranty, expressed or implied, as to the variety or productivity of any nursery stock it sells. Liability in all instances is limited to the purchase price. No liability is assumed by seller for delay or failure to deliver caused by wars, strikes, fires, floods, droughts, embargos or any other contingencies beyond seller's control. If the purchaser does not accept the goods on these terms, they are to be returned.

**TERMS.** While our regular terms are cash, we will be pleased to make credit arrangements with established concerns. Open accounts are payable on or before the 10th of the month following date of delivery. Overdue accounts are subject to interest charge at a legal rate. No discount will be allowed as it is our policy to maintain attractive prices consistent with high quality stock. The issuance of this catalog automatically cancels all previous quotations. It is understood that all orders accepted are subject to availability of stock at the time of delivery.

**PINTO TAG.** We take great pride in being a "Pinto Tag" Nursery enabling us to ship into other California Counties without requiring any further inspection.

**PLEASE REMEMBER.** We deeply appreciate your patronage, and shall endeavor to always say "thank you" by the careful manner in which we will service your every order . . . large or small.
